

SAFE ACCESS

FOR EVERYONE IN MILWAUKIE

SE 43RD AVENUE PROJECT UPDATE

Safe Access for Everyone (SAFE) is the City of Milwaukee's program to improve safety for people walking, biking and more. SAFE calls for upgrading our network of connections such as sidewalks, ramps, and crossings to fill network gaps, replace portions that don't meet the Americans with Disabilities Act (ADA) standards, and remove barriers for people to safely get where they need to go.

Updated Project Design Ready for Review

As part of this project, we will be making several updates including:

43rd Avenue between King Road and Howe Street

- A ten-foot multi-use asphalt bicycle and pedestrian path on the west side
- A five-foot sidewalk on the east side
- A landscaped planter strip on the west side
- Pavement restoration

Howe Street between 42nd and 43rd Avenue

- A five-foot sidewalk on both sides
- Pavement restoration

Additionally, we will replace a sewer mainline on 43rd Avenue between Rockwood Street and Covell Street.

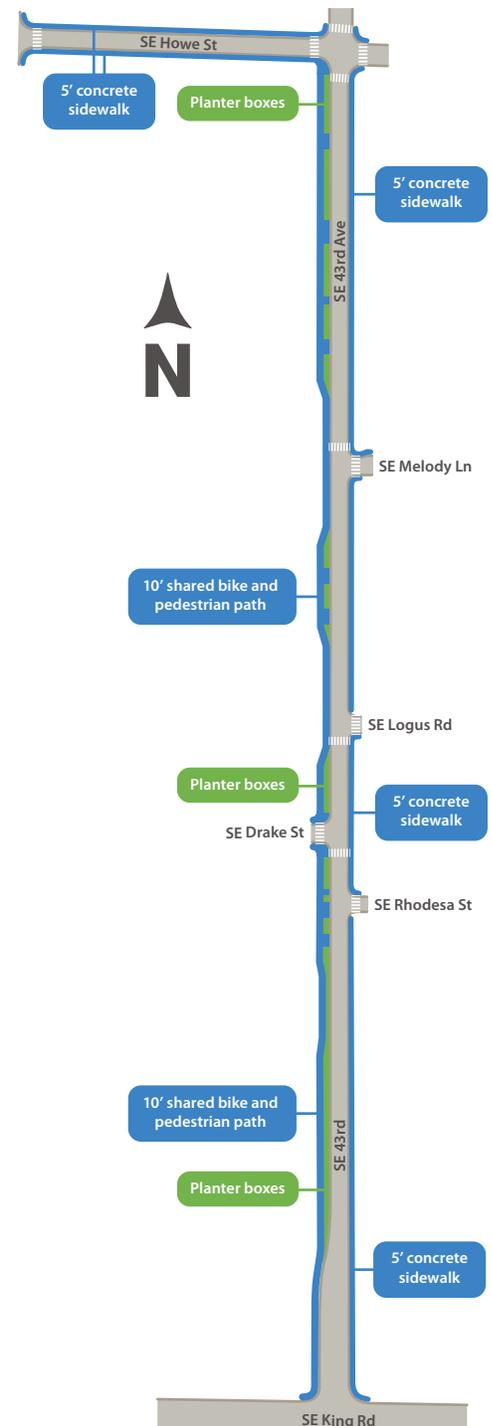

Timeline

Construction is anticipated to begin in 2021.
